Collections 2021-22*

Hi. I'm Craig, a professional photographer & cinematographer. I've been shooting weddings for over 10 years now, right throughout the South Island and even internationally. I'm pretty laid back and fairly easy to get on with. I'd define my creative style as chilled, bright and fun. If that's what you're after for your wedding day then I'd love to shoot it!
